

Teacher

France

I was a resident of France on the date of my arrival in the United States. I am not a U.S. citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.

I have accepted an invitation by the U.S. government, or by a university or other recognized educational or research institution in the United States for the primary purpose of teaching or engaging in research at the Oregon University System. I will receive compensation for my teaching or research activities.

The teaching or research compensation received during the entire tax year (or for the portion of the year from \_\_\_\_\_ to \_\_\_\_\_) qualifies for exemption from withholding of federal tax under the tax treaty between the United States and France. I have not previously claimed an income tax exemption under this treaty for income received as a teacher, researcher, or student before the date of my arrival in the United States.

Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.

I arrived in the United States on \_\_\_\_\_ [insert the date of your last arrival in the United States before beginning the teaching or research services for which exemption is claimed].

The treaty exemption is available only for compensation received during a period of two years beginning on that date.
